

DALLOZ

Natural White Topaz

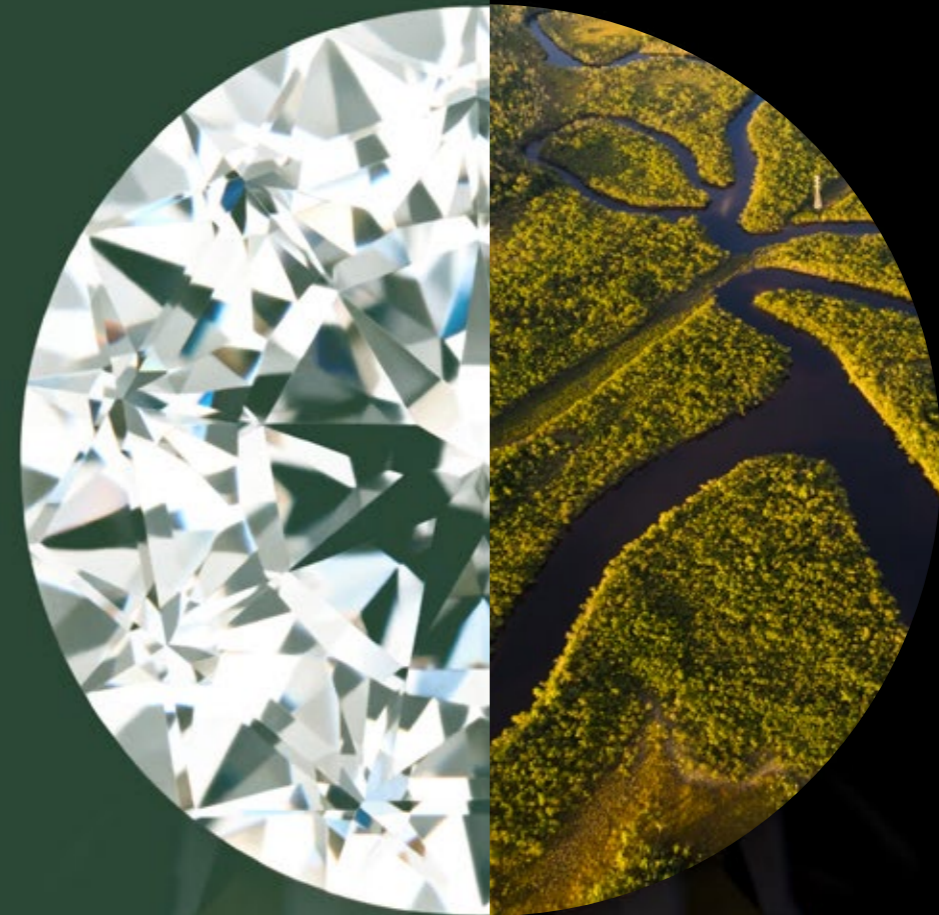

AN ETHICAL, SUSTAINABLE AND ECO-RESPONSIBLE PROCESS

Origin of our Topaz

We undertake ethical and eco-responsible sourcing to purchase rough in Brazil.

TREATMENT

Our treatment

We use to promote the heated stones which offer good brillancy but we can also provide non heated ones where you will find some inclusions.

CERTIFICATE SEDEX

Dalloz Machine Cut Productions

in compliance with regulatory standards and business ethics (please refer to our SEDEX certificate).
